

HIV prevention for women and the dapivirine ring: *Next steps for access and advocacy*

Wed. 19 Oct. 2016, 12:00-13:00

Participants will hear from:

- Dr. Zeda Rosenberg, Founder and CEO, IPM
- Dr. Gonasagrie (Lulu) Nair, Clinical Site Leader, Microbicide Trials Network
- Manju Chatani-Gadi, Senior Program Manager, AVAC
- YOU!

Engage with advocates and other partners to discuss **next steps** for the ring, its role in the broader **women's HIV prevention effort**, and **effective advocacy strategies** leading up to potential roll-out.

Pick up your lunch from River AB and **join us in the Advocates Corner** located on the lobby level for a **lively discussion!**
