Advocating for Advancements in HIV/AIDS and TB Prevention Technologies in a Changing World

JULY 24th, 2012

3:00 P.M. to 4:30 P.M.

455 Massachusetts Avenue, NW, Suite 1000, Washington, DC*

*Within walking distance of the XIX International AIDS Conference venue

Join Aeras, AVAC, the Global Health Technologies Coalition (GHTC), the International AIDS Vaccine Initiative (IAVI), and the International Partnership for Microbicides (IPM) to discuss lessons learned from advocacy for new HIV/AIDS-related prevention tools.

Ice cream and summer beverages will be served!!

To RSVP, please contact Nick Taylor at info@ghtcoalition.org or 202.822.0033
